2. Confirmation of section host schools

Section host school policy: Section schools are encouraged to develop their own rotation of the True Team Section Meet from those schools who are interested in hosting the meet.

However, if a rotation cannot be agreed upon the True Team Chairman will intercede and determine a rotation. No school may host a section meet until they have first participated in the MSHSSCA True Team.

3. Section Meets

Host Schools should personally contact all the teams in their section and encourage them to attend the True Team Section Meet.

4. Diving

The following new diving policy was adopted for the 2008 – 2009 True Team:

Divers will compete a six dive or an eleven dive list. The number of dives each diver will compete must be declared on each team's entry form. Divers competing a six dive list will place behind divers competing with an 11 dive list. At the state meet divers competing an 11 dive list will be cut to the top 16 after 6 dives. All national federation rules will be followed other than the change to the cut after 6, rather than after 5 dives. Please also note: There will be no additional warm up after the cut is made at the state meet to the top 16.
