4. Section Meet Issues

- a. Host schools are required to abide by the True Team Charter which can be found on www.pantherboosters.org/true.
- b. Host schools should personally contact all the teams in their section and encourage them to attend the True Team Section Meet.
- c. Awards will be mailed to the True Team Section host school. The host is responsible for handling these awards and distributing them at their meet.
- d. Host schools are to be reminded to make sure they are using the correct True Team Scoring in the Hy-Tek Meet Manager Program. Chris Aarseth can be contacted if needed for Hy-Tek scoring instructions for the True Team Section Meet host schools.

5. State Meet Issues

- a. At the True Team State Meet- diving coaches must designate whether a diver is doing 6 or 11 dives on their team's official entries. Changes in type of dives can be made ½ hour prior to competition but not the designation of the number of dives.
- b. Coaches of teams participating in the True Team State Meet are informed in the meet information that due to time constraints that after five dives the field of divers will be cut to the top twenty divers.
- c. True Team State Meet entries 2010-2011. **All diving entries will be online this year.** The normal entry procedure will take place. All teams will be asked to use EDIVE.

6. MSHSCA True Team finances

- a. **Sponsors: Elsmore Aquatics, & Trapper Jim.** Elsmore Aquatics and Trapper Jim have been generous sponsors of the Swimming & Diving True Team. Their monetary sponsorships have and will continue to be used to offset the cost of the True Team awards. They will remain the two premier sponsors of True Team.
- b. The Coaches Association will again be invoicing the teams who participate in the True Team State Meets for their registration fees. This change was made to expedite the process of the Coaches Association being able to pay the awards invoices and to hopefully have more success in collecting meet entry fees from schools.

7. New Business

- a. A motion was brought forward by Rory Fairbanks to move towards having six Class A sections for Boys only. This motion was 2nd by Jen Marshall. This move will eliminate travel time/costs and time out of school for attending teams.
- b. Weather---This winter many of the boys sections were unable to host meets due to in climate weather. Each of the sections that did not host a meet was run electronically based on seed times. This will remain the practice if unforeseen circumstances present itself.
